

LOW-GLYCEMIC
ALBERTA OATS**

SINGLE GRAIN FORMULA

SENIOR DOG

Senior dogs are best fed a diet rich in meat proteins to support lean muscle mass, yet low in carbohydrates which can lead to obesity and diabetes. That's why ACANA Senior is rich in meat protein from local, free-run Cobb chicken and whole eggs, wild-caught flounder from Vancouver Island, and Okanagan fruits & vegetables – all delivered fresh each day.

Carbohydrates reduced, ACANA Senior features local steel-cut oats as a low glycemic, single source of grain.

Prepared from Canada's best and freshest ingredients in our award-winning kitchens, ACANA is a delicious way to keep your senior dog happy, healthy and strong.
