

WILD PRAIRIE for CATS

Nature evolved your cat as a carnivore, designed to thrive on a diet rich and varied in meat proteins and fats – not grains and carbohydrates. That's why ACANA Wild Prairie features a rich variety of meats from cage-free chicken and whole eggs from local prairie farms, to wild-caught fish from our northern lakes – all delivered FRESH to nourish your cat completely.

Grain-free to reduce unwanted carbohydrates, ACANA features regional vegetables, fruits and botanicals for a rich supply of natural trace elements and antioxidants.

Made from Canada's best and freshest ingredients, ACANA keeps your cherished cat or kitten healthy and strong.
